NEXT MASHUP

Discussion of what to keep/change from last Mashup to the next one

Keep the same:

Use similar model as first Mashup, as we are still developing our goals/missions.

- Socializing & break times

- Presenters / Plug Creative Ground

- Guided Group Discussion

- Still use a survey afterward to get their feedback

Changes:

- No Drawing Impact

- Only 2 or 3 presenters (5 last time)

- New questions for post-presentation discussion

 - What should these be?

- More time for feedback from attendees

- More emphasis on Creative Ground

- Shorter event time – 2 hours (excluding post-meeting event/social time)

Details of next Mashup

When: weekend in Mid-March (possibly April)

Where: WRJ - Center for Cartoon Studies

Presenters: need 2 or 3

- Chris P. will reach out to Jarvis

-Matt Bucy

(concern that new presenters aren't as familiar with 3CVT - Give them a guide with a few questions/ideas)

MC: Anni again if she is willing?

Incorporated event: (Royal Frog Ballet last time) Check calendars to see if events are going on at this time. Could also relocate to new location afterward informally for a social gathering rather than a performance (Main Street Museum suggested)

Goals of next Mashup:

Grow mailing list

Gathering info from participants

Goal & mission clearly defined

New energy & people

Next steps

Next steering committee meeting Jan 29th 5:00

-shooting for less meetings around this mashup – every 3 weeks
