3cVT UNITES EAST-CENTRAL VERMONT

This is a forty-town region that stretches from the Connecticut River in the east to, Rochester, Stockbridge, and Bridgewater in the west. From Newbury and Topsham in the north, to Springfield and Chester in the south.

Cornerstone Creative Community (3CVT) is a committee of working volunteers convened by Two Rivers- Ottauquechee Regional Commission, the Green Mountain Economic Development Corporation, and the Vermont Arts Council (Vermont Creative Network).

As a volunteer committee, 3CVT partners with, and receives direct support from, the East Central Vermont Economic Development District, comprised of the Southern Windsor County Regional Planning Commission (Two Rivers-Ottauquechee Regional Commission, Green Mountain Economic Development Corporation), Springfield Regional Chamber of Commerce, Springfield Regional Development Corporation, and the Vermont Arts Council (Vermont Creative Network).

Operating collaboratively to broaden and build the future partnerships that will be needed, this event invites individuals and organizations alike. It is free and open to all working in the creative sector of 3CVT, though it will be supported by its participants, donations to support the costs associated with this Phase I outreach effort are greatly appreciated.

Mission Statement: To boost the economic prosperity and interdisciplinary connections for the creative sector in the east central Vermont region.
