- Zone responsibility to convene people to provide input at the local level
 - 3CVT will meet with the consultant (CW – community workshop) then convene a regional meeting. CW will provide a toolbox for us to use.

When we request member highlights (pulling from submissions for the VermontVacation.com feature), we can use these on 3CVT Facebook page, submit to Amy for the Notes Outside the Box newsletter, and put them on our individual Zone page on the VCN site.

Want to reconnect with NEK Zone, Kim will email Jody to ask what projects they're working on, copy Amy on message.
